To secure a booking it is essential to send us your completed booking form and payment.

We accept no responsibility for the effect that weather conditions may have on our programmes. In the unusual event of severe weather conditions forcing us to cancel a booking for reasons of safety you will be given the option of an alternative date at your convenience but subject to availability. In the above circumstances, having arranged reasonable alternative dates, we will not refund booking fees.

Refunds will only be authorised if a sick certificate is provided to the management of the Centre.

SAFETY:

All participants must be over 8 years of age and should be able to swim 50 metres in light clothing wearing a buoyancy aid. Disabled participants can attend courses but must make this condition known to the Centre before booking.

Anyone, who in the opinion of the Senior Instructor or Duty Manager is unfit to do an activity or is behaving in a manner likely to be a danger to, or spoil the enjoyment of other participants, may be excluded from taking part. There will be no refund of fees in this event.

All participants must wear approved buoyancy aids when on the water. The Centre supplies suitable buoyancy aids for those taking part. If in doubt, please discuss suitable clothing/personal equipment with the instructor.
