KCC Discovery Bus
Friday 23rd July 10.00am – 2.00pm

This is a free learning tool provided by Kent County Council. It is an underwater learning experience for younger children. On board, the children enter a make-believe undersea world complete with two large LCD screens. Hand held voting pods allow them to take part in various activities which include voting in quizzes and 'spot the difference' games. A projector and soft lighting add to the atmosphere, along with wall-hangings, models and a soft seating area. The theme is completed with puppets, dressing-up clothes, books, puzzles, games, art activities, badge making....and the opportunity to meet Ollie the Octopus.
